Splay cleaner ponter pontos

# Material Safety Data Sheet

Mirachem® Optix		(Formulation No. 2801)
Section I - Chemical Product and (	Company Idenlification	·
Manufacturer Nama;	The Mirschem Corporation P.O. Box 14059 Phoenix, Arizona 85063-4059	Date Prepared: 01/26/95 Revision Date: 03/16/09
Emergency Phone:	1-(800) 847-3527	
Section II - Composition/Informatio	n an Ingredients	
Hazardous Component (CAS #)	OSHA PEL ACGIH TLV	Other Limits % (Optional)
None		
Section III - Hazards Identification		
Emergency Overview:	Clear, non-flammable, water based cleaner gla	ss cleaner.
Potential Health Effects:		
Eye Contact: Skin Contact: Inhalation: Ingestion:	May cause mild temporary initation. Not expected to cause initation. No adverse effects expected. No adverse health effects are anticipated to oc Chronic effects are not known.	cur as a result of acute ingestion,
Carcinogenicity:	None of the components in this material are lis a carcinogen.	led by IARC, NTP, OSHA, or ACGIH as
Signs/Symptoms of Overexposure; Medical Conditions Generally Aggravated by Exposure;	Prolonged contact may cause mild initation or None known.	dryness to sensitive skin.

Section IV - First Aid Me	asures	
Eyes:	Immediately flush with clean water. Consult physician if necessary.	
Skin:	Rinse with water.	
Ingestion:	If swallowed, treat symptomatically and supportively. Contact Physician.	
Inhalation:	No adverse effects anticipated.	

### Section V - Fire and Explosion Hazard

Flash Point (Method Used):	None	Explosive Limits:	N/A	
Extinguishing Media: Special Fire Fighting Procedures:	Water None	Unusual Fire Fighting and Explosion Hazards:	None	

Small Spills:	Elucia with water into an		dami Ri-t- tabiri	
amai apiis:	Flush with water into containing area or to sewer where applicable within Federal, State or Loca disposal requirements. Dike and pump into suitable containers, clean up residual with absorbent material and wash with water. Dispose of in accordance with Federal, State or Local disposal requirements.			
Large Spills:				
Section VII - Handling & S	Storage			
Handling & Storage Precautions:	Protect from freezing			
Other Precautions:	Keep container tightly clo	osed. Keep out of mach of children.		
Section VIII - Exposure Co	ontrols, Personal Protection	) <u></u>		
Respiratory Protection:	No respiratory protection			
Ventilation: Protective Clothing:	<ul> <li>General ventilation is suf</li> <li>When protomed skin cor</li> </ul>	nicient. ntact is expected, wear protective gloves.		
Eye Protection:	Wear safety glasses if sp	plashing or mist is present,		
Work/Hygienic Practices:	Use good personal hygie facilities.	ane practices, wash hands before eating, drinking, smo	oking, or using toile

NFPA Ratings	Healin = 0	Flammability = 0	Reactivity = 0	Special = 0
NPCA-HMIS Ratings	Health = 0	Flammability = 0	Reactivity = 0	Protective Equipment = None

#### State Regulations:

#### California

California Safe Drinking This product does not contain any materials currently listed by California as chemicals known to Water and Toxic cause cancer or known to have reproductive toxicity under Proposition 65.

#### Section XVI - International Regulatory Information

Notice: The information herein is presented in good faith and believed to be accurate as of the effective date shown above. However, no warrantee, express or implied is given. Regulatory requirements are subject to change and may differ from one location to another; it is the buyer's responsibility to ensure that its activities comply with their federal, state/province, and local laws. The following specific information is made for the purpose of complying with numerous specific foreign regulations.

Australia	This product is not classified as hazardous according to criteria of Worksafe Australia. Mirachem has reviewed Australia's List of Hazardous Substances and Australia's Standard of the Uniform Scheduling of Drugs and Poisons and determined that no ingradient in this product is listed in either listing. We have also verified with NICNAS at the Australian National Occupational Health & Safety Commission (NOHSC) that all of the components in this formulation are listed in the Australian Inventory of Chemical Substances (AICS) and that no notification will be necessary under the Industrial Chemicals (Notification and Assessment) Act 1989.
Canada	Non-controlled under WHMIS.
Europaan Union	All materials in this formulation are EINECS listed. Not a hazardous preparation according to the EC-Directive 88/379/EEC,
Korea	All materials in this formulation have ECL Serial Numbers. No material in this product is made from animal by-products.
Japan	This product meets the requirements of the Chemical Substance Control Law (MITI)

Mirachem Optix Formulation No. 2801

Eyes:	Immediately flush with clean water. Consult physician if necessary.
Skin:	Rinse with water,
Ingestion:	If swallowed, treat symptomatically and supportively. Do not induce vomiting. If victim conscious and alert give two glasses of water or milk to drink. If vomiting occurs, keep head below hips to prevent aspiration. Contact Physician.
Inhalation:	No adverse effects anticipated.

Section V - Fire and Explosion Ha	zard		
Flash Point (Method Used):	None	Explosive Limits:	N/A
Extinguishing Media:	Water		
Special Fire Fighting Procedures:	None	Unusual Fire Fighting and Explosion Hazards:	None

Section	Section VI - Accidental Release				
Small Spills: Large Spills:	Flush with water into containing area or to sewer where applicable within Federal, State or Local disposal requirements. Dike and pump into suitable containers, clean up residual with absorbent material and wash with water. Dispose of in accordance with Federal, State or Local disposal requirements.				

### Section VII - Handling & Storage

Handling & Storage Precautions: Wear protective goggles or face shield if splashing or spraying liquid. Protect from freezing.
